

Sunderland’s Breakaway Business Package is a complete turnkey back office solution, making us the winning choice for your Accounting & Tax Needs. Ways we stay ahead of the competition, so you can too:

BREAKAWAY BENEFITS

We position you for success by carefully reviewing your records, strategies and accounting procedures to ensure they’re accurate, appropriate and poised to provide the best tax **advantages**.

We meet with you regularly to strategize new and effective ways to keep your business ahead of the pack.

We specialize in Small Business Solutions designed to help you intelligently advance your business.

We provide tax information 4-6 months ahead of time so together we can devise a plan of attack to capture tax savings all year long.

We are your total support team from bookkeeping to taxes, payroll to tax and business planning. We grease the wheels so your business can excel smoothly and proficiently.

We’re a dedicated partner in your success and care about your business – We work tirelessly to place and keep it out in front.

No hidden costs We provide up-front quotes and fixed pricing on our all-inclusive packages.

OTHER FIRMS

A cursory tutorial on QuickBooks and year-end record updates

Contact them yourself with questions/problems

Also cater to large companies that demand most of their focus

Client learns their tax liability sometime between April & October, too late to assess tax savings opportunities

Divide services among different sources, creating potential problems with cohesion, communication & efficiency

You’re “just” another customer

You won’t know until the bill arrives...and you might be in for a shock.

AT THE SUNDERLAND GROUP, IT’S OUR BUSINESS TO KEEP YOURS SPRINTING IN THE RIGHT DIRECTION.
